

SENATOR MARVEL: Motion carried. The bill is indefinitely postponed. Is Senator Kremer in the Chambers? We are ready for the consideration of the Kremer motion on 508. Where is the Sergeant at Arms? Can you see if you can find Senator Kremer, please? Senator Kremer is on his way here. We will be at ease for a moment.

CLERK: Mr. President, while we are waiting, Senator Warner asks unanimous consent to print amendments to LB 624 in the Legislative Journal. Senator Bereuter asks unanimous consent to print amendments to LB 847 in the Legislative Journal. Mr. President, your committee on Public Works, whose Chairman is Senator Kremer, to whom was referred LB 879 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File with amendments. Mr. President, Senator Kremer moves to reconsider our action on final passage of LB 508.

SENATOR MARVEL: The Chair recognizes Senator Kremer for the motion to reconsider our action. You have the floor.

SENATOR KREMER: Thank you, Mr. Chairman. The purpose of this motion is to attach to LB 508 the emergency clause. You recall, when this bill was before us for discussion, I believe it passed 43 to nothing, and in order for the school district to arrive at a budget for the forthcoming year, we will need this bill passed with the emergency clause. That is the only purpose of the motion is to attach the emergency clause. I am sure that Senator Rumery, he is the legislator that has the school district in his area that is being severely impacted by the construction of the Gerald Gentleman Station. Senator Rumery, you may wish to make some further comment but my motion is to reconsider for the purpose only of attaching the emergency clause.

SENATOR RUMERY: Mr. President, members of the Legislature.

SENATOR MARVEL: Senator Rumery.

SENATOR RUMERY: We failed to get the emergency clause on this bill when we were considering it. It was an oversight and it was passed with 43 votes. So apparently there is no opposition to it and we had already sent it to the Governor and we asked to have it returned so that we could put on this emergency clause and Senator Kremer said that schools who are effected with this situation with more students brought into the district need this extra help. So I would urge that we support this suggestion of Senator Kremer's.

SENATOR MARVEL: Any other discussion? You have heard the motion and the second. The motion needs 25 votes for reconsideration. All those in favor of reconsidering our action on LB 508 vote aye, opposed vote no. Voting aye.

CLERK: Senator Marvel voting aye.

SENATOR MARVEL: Have you all voted? Have you all voted? Record.

CLERK: 26 ayes, 0 nays on the motion to reconsider, Mr. President.

SENATOR MARVEL: Motion carried. Now, Senator Kremer, do you move that, pardon, Senator Rumery, is it your motion?
